## NATIONAL ARCHIVES MICROFILM PUBLICATIONS

### INTRODUCTION

On the rolls of this microfilm publication are reproduced the pension payment cards maintained by the Bureau of Pensions and Veterans Administration for recording payments made from 1907 to 1933 to members of the Regular Military Establishment. These payment cards are part of Records of the Veterans Administration, Record Group 15.

Although an act of September 29, 1789 (1 Stat. 95), provided for the continuance of pensions approved by the Continental Congress, it did not assign the pension payment function to any department. The act of March 23, 1792 (1 Stat. 243), that permitted the addition of new names to the list of existing pensioners, specifies that pension payment functions were to be executed by the Secretary of War. Not until legislation of 1818 and 1819 was the Secretary of War authorized to approve applications for pensions and to place invalids on the pension list without prior congressional approval.

By 1810 a unit known as the Office of Military Bounty Lands and Pensions had developed within the Secretary's Office. Between 1810 and 1815 the unit was referred to as the Military Bounty Lands and Pensions Branch (or Section). After the Branch was divided into two units in 1815, the Pension Bureau and the Land Warrant Bureau, the former was generally referred to as the Pension Office. In March 1833 Congress provided (4 Stat. 622) for the appointment of a Commissioner of Pensions under the general direction of the Secretary of War; in March 1849 Congress established (9 Stat. 395) the Department of Interior, to which the Pension Office was transferred. On July 21, 1930, by Executive Order 5398, the Bureau of Pensions (formerly called the Pension Office) was consolidated with other agencies also serving veterans to form the Veterans Administration, an independent executive agency.

Until about the middle of 1909, records of pension payments were kept in pension agency payment books. In 1907 the method was changed to a card system, and the transfer of basic information from the payment books to the payment cards for all invalids and widows still being pensioned at the time of the change in recordkeeping was begun.

There are approximately two million cards, 5 inches by 8 inches in size, reproduced in this microfilm publication. They have been filmed in alphabetical order by surname of the Army or Navy invalid or widow, except that cards with Indian names have been filmed alphabetically at the beginning of the respective letter of the alphabet. The form of the card is almost identical

for the four classes. On the front of the cards entitled "Army Invalid" and "Navy Invalid" are the name of veteran, his certificate number, his unit or arm of Service, the disability for which pensioned, the law or laws under which pensioned, the class of pension or certificate, the rate of pension, the effective date of pension, the date of the certificate, any fees paid, the name of the pension agency or group transferred from (if applicable), the date of death, the date the Bureau was notified, the former roll number, and "home." On the reverse side of the form appear the name of the veteran, his certificate number, and the rate and record of the individual payments. On the "Army Widow" and "Navy Widow" cards, the widow's name replaces the veteran's, and the veteran's name replaces the information about the disability for which pensioned. A block is available on the "widow" card for recording payments made to minors. A major change in the form of the card occurred in 1923, when the payment was made monthly instead of quarterly. Pensioners whose payments extended beyond this period had their payments recorded on a second card—the monthly payment card. In the few instances where a communication has been attached to a card, the communication has also been filmed.

Also in Record Group 15 are the pension agency payment books from 1805 to 1909, which preceded the system of pension payment cards; the registers of pension certificates issued to Army and Navy veterans, their widows, and other dependents to 1914; and the registers of pension applications to 1916.

The editorial material for this publication was prepared by Maizie Johnson and Willna Pacheli.

The Postmaster

Dear Sir:

Reference is again made to the pension check issued October 4, 1928 in favor of Robert C. Burns, late Civil War pensioner under certificate No. 310999, which check was returned here and canceled on the report that the soldier died October 2.

Since the death certificate forwarded with your letter of the 18th instant shows that the pensioner died on October 3, that check should not have been canceled.

The attached blank may be used by Mr. Hobbs, the administrator, for payment of the check to the estate. If Mr. Hobbs will file his claim here steps will be taken promptly in consideration thereof.

It will be appreciated if you will place the enclosure in Mr. Hobbs possession thereby avoiding undue delay in presentation of the claim.

Very truly yours,

My Dear Sir:

Regarding the within notice of the death of Robert G. Burns, I called up the Underatker and he said he died on Oct. 2, 1928, and I so reported to your office. It would seem that he was in error in giving me that information. The records show that he died on October 3, 1928, and the son says that was the case.

The administrator of the estate is R. W. Hobbs, and I will notify him to request of you the necessary papers in order that he may collect said Check for the heirs.

Yours very truly,

*E. O. Connelly*  
Postmaster.

Dear Sir:

Reference is made to your letter of the 22nd instant concerning a pension check drawn October 4, 1928 to the order of Robert G. Burns, a Civil War veteran under certificate No. 310,999.

You advised the bureau in October 1928 that this pensioner died October 2, 1928 and acting upon that advice the check was canceled. Now in your last letter you say that the pensioner died October 3, 1928. If the pensioner died on this date the check is an asset of the estate.

You are requested to again verify the date of death making your reply under cover of the enclosed envelope.

Very truly yours,

My Dear Sir:

Robert G. Burns, a civil War Veteran, died on October 3, 1928, and I informed the relatives at that time, that it was my opinion that they were entitled to the Pension of \$72, which was due him on that day, or morning of the 4th. The administrator failed to make application for same, as he thought they were not entitled to it.

Now one of the sons comes to me and asks that the said \$72 be secured for the heirs. Wish you would send me the proper blanks to be signed in order that this may be paid them. If the law was in effect at that time, paying them in full if pensioner died on the 3d or 4th, of the month, the day they are supposed to receive their pension.

I returned to your department the said pension as he was dead when it arrived on morning of the 4th, having died previous evening.

Yours very truly,

*Bo Connolly*
